Dear Queen of All Saints Families,

Today we celebrated our 8th Grade students who will be graduating this Saturday. They, and the rest of the students, were treated to a pancake breakfast, and each of the classes presented them with a small token wishing them well as they move on to high school. The fun continued into the afternoon with the unveiling of their graduation composite pictures in the foyer, complete with a sparkling cider toast to their future, and an end of the day assembly with additional accolades and presentations from their peers and faith families. We are proud of each of our 8th Grade students, and wish them many blessings on their journey into high school.

<p><i>Thank you for being such a blessing to QAS!</i></p>	

We have started our summer maintenance projects with the pruning of the trees surrounding the school campus and in the school courtyard. We would like to keep the maintenance momentum going with several projects on the horizon and could use your skilled help. We created a Sign-Up Genius where you can go to sign up for specific projects and/or under specific skills you may possess (painting, carpentry, roofing, landscaping, hauling, general clean-up, etc.) Help is needed to convert the corner garden area to a play area for the children, mulching the perimeter of the school and other open and bare areas, preparing the Art room to become the new preschool (opening in 2018-2019), interior and exterior painting, and replacing/repairing window trim. If you would like to help with any or all of these projects, or just want to put your name in the hat for general maintenance help, please take a moment to click on the Sign-Up Genius link here: [Summer projects](#). We appreciate your help in making our school even more beautiful for the children!

Blessings,
Lucia Prince

Special message from Mr. DeSmet

Calling All Craftsmen!

As one knows maintaining a home is an ongoing process. Imagine what maintaining a school facility looks like!

This summer we have many projects to complete in order to keep the school looking good and to have it ready for the next year. I am asking for volunteers, and I am especially interested in those of you that are tooled up and ready to go. Some of the projects involve basic carpentry, plumbing, and painting.

I'm not asking anyone to make this a part time job, but simply as a way to satisfy your annual service hour commitment. If you are interested, please see SignUp Genius here:

<http://www.signupgenius.com/go/30e0945abad23a5fd0-summer>

I can be reached through the school office, or via email at wdesmet@csdo.org

Your help will be greatly appreciated. Humbly in his service, Bill DeSmet

Advisory School Board (ASB)

With the school year coming to an end we would like to thank all the families who have helped in any way they could with making this a great school year.

The Board will meet again in August after we begin our 2017-2018 school year.

Board Minutes from May are now available on our website.

LESSONS FOR THE SUNDAY GOSPELS – (sermons4kids.com)

The Power and Light

What do you think gives a flashlight the power to light up a room? Of course, the flashlight has a battery inside that gives it power. Without that power inside, the flashlight just doesn't work.

That reminds me of the way the Holy Spirit works in our life.

In his Sermon on the Mount, Jesus said, "Let your light shine before others, that they may see your good deeds and glorify your Father in heaven." Our Scripture lesson today tells us that on the day of Pentecost people were filled with the Holy Spirit so that they could do mighty things as the Spirit gave them the ability.

It is the same power of the Holy Spirit that enables you and me to let our light shine in the world. Just as a flashlight must have batteries to give it power, the Holy Spirit is our source of power to live for Jesus.

Heavenly Father, thank you that you have sent us the power of the Holy Spirit. Please fill us up each day with the Holy Spirit that we would have the power to live for Jesus and let his light shine in our lives. In Jesus' name we pray. Amen.
